Provence Reverie

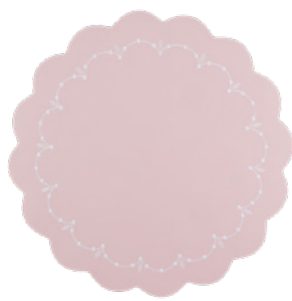

This series is based on the theme color of 2025- mysterious and romantic purple, inspired by the continuous lavender fields in Provence, France and symbols of Western classical culture. The inspiration for the "Provence Illusion" comes from the ancient folk song "Le Secret de la Dame Lavande" that is popular in southern France. Legend has it that the wife of a perfumer who lived in seclusion in the Lvbeilong Mountains used lavender to heal the tired souls of travelers. Her garden turns into a purple ocean every summer, with a gentle breeze passing by and flowers whispering peace and blessings.
