A festive Christmas table setting. The table is covered with a red, green, and blue plaid tablecloth. In the center, a white scalloped-edge plate holds a folded red and blue plaid napkin, secured with a small red and green Christmas truck ornament. To the left of the plate is a silver fork with a light-colored handle. To the right is a silver knife with a light-colored handle. Above the plate, a clear glass of water sits on a white and red patterned coaster. The background is decorated with various holiday items: a large pink rose in a glass vase, a nutcracker soldier on a red base, a small red wicker basket with holly, a red wicker house-shaped decoration, and a glass of water with a red and white patterned coaster. The overall theme is warm and celebratory.
